The Guide to **WHITE WINES**, a scale of sweetness, defined by the Wine Development Board using numbers 1-9, 1 being very dry and 9 very sweet.

The guide to **RED WINES** uses a simple five-point scale. The letters A-E are used in order to differentiate from the red wines. Starting at A, the wines are easy, undemanding and quaffable. At E, the other end of the scale, the wines are more full bodied.
